

HELLO & WELCOME

Leeuwenzee Guest House Covid 19 Policy

Please do not be offended, in the new norm we may no longer stretch out our hand in greeting you. Under our masks however, our smiles are even bigger and warmer in welcoming you!

PLEASE WEAR YOUR MASK

We respectfully ask you to wear your mask in public places and to keep a safe distance from others. Our team will be wearing their masks and keeping our interactions with you from as safe a distance as possible.

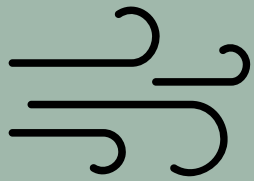

TEMPERATURE REQUIRED

Please be patient, in line with regulations, we are required to take and record your temperature.

SANITISE

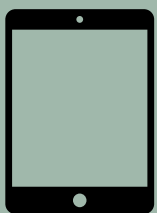

On entering, please sanitise your hands. Sanitising stations have also been conveniently placed in all common areas of the Guest House.

AIR PURIFIER

We have gone one step further by the installation of an air purifier with guaranteed filter technology effective against the Covid Virus particles.

WE ARE PAPERLESS

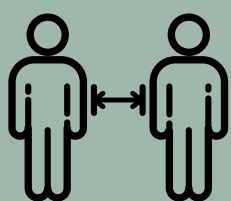

We have gone paperless with invoices and receipts emailed and contactless with online check-ins, booking forms and payment options should you prefer not to use our credit card machine.

ROOMS

Our rooms undergo a thorough deep clean between arrivals. The rooms are thoroughly aired and all surfaces and high traffic touch points are disinfected. All surfaces, with particular attention paid to high-touch items undergo industry-leading cleaning and sprayed with protective antimicrobial coating.

DINING AREA

Appropriate changes to seating have been made to accommodate physical distancing. Between each sitting the table will be wiped down and sanitised.

STAFF

Our employees have been trained on the symptoms of the virus and how they can pre-emptively protect themselves and their colleagues. Staff are screened on arrival. Staff have checklists and are aware of the importance of strict hygiene practices.
